INTRODUCTION

At St. Stephen's C.E. Primary School we actively seek to develop the creative curriculum giving each child a balanced education, involving the Arts and The National Curriculum.

As a Christian school we aim to foster an ethos that extends to all aspects of the school and beyond the classroom, including behaviour, manners, discipline and (in the best traditions of Christian loving) kindness.

Shepherds Bush is a richly varied area, socially and ethnically, and as a Voluntary-aided Church of England Primary School we are proud to celebrate and reflect this. Confidence in a school comes from knowing and understanding what is happening within.

At St. Stephen's we appreciate that finding the right school for your child is an important decision. I would therefore welcome the chance to meet you informally in order for you to appreciate and experience the atmosphere of the school for yourselves.

If you would like to be shown around the school please contact the school office to make an appointment. Our school tours are most Tuesdays and offer parents an opportunity to meet with the Headteacher and ask any questions you may have.
