Year 6 – Present

Minutes

Opening prayer led by Miss Bill.

Welcome and introduction to Mrs Allen, who would like the help of the School Council for this year's Art's Day.

Points of discussion:

- This year's Art's Day theme is recycled materials. Each child will bring in a recycled material which will then be used to create a display, which the School Council are going to design and then assemble.
- The School Councillors were shown examples of art displays using recycled materials and then had to come up with ideas. Suggestions:
  - Rainbow
  - Rainbow background with the word recycle or reuse across it
  - A tree
  - Solar System

We discussed the practicalities of each of idea.

- We then held a vote. The winning vote with 10 votes: a rainbow background with the word recycle or reuse across it.
- We discussed the recycled materials we would use to create this: bottle caps and buttons.

Actions to be taken

- Mrs Allen to find more examples of the style of display we have chosen to create.
- Year 6 School Councillors to help Mrs Allen to write a letter to inform parents of this project.
- Mrs Jeffery to give School Councillors our Eco Code so they can begin to decide which word they would like to write across the rainbow background, thinking about the message it conveys.
- School Councillors to begin to tell their classes about collecting bottle caps and buttons for an upcoming project.

Next Meeting:

To be confirmed.
