

Roller Coaster by Vikram Madan

This roller coaster's AWESOME
And FIFTY kinds of cool!
Its heights are death-defyin!
Its swoops will make you drool!

Its loops will make you loopy!
Its swirls will make you shriek!
The wind will blow your hair off as
You whiz from peak to peak!

The treasures in your pockets
Will slip out one by one!
This roller coaster's awesome
And *maybe* lots of fun...

But...

I'm getting somewhat nervous
And anxious in my heart.

**Please let me, let me, let me
Get off before it starts!**
