

Song 1 - We're Going Home!

Bethlehem's full, there's no room at all,
Commotion all through the town,
We shouldn't complain, we don't like to fuss,
But it's not good enough for us,
Bethlehem's full, there's no room at all,
We don't like to moan,
But as soon as the census is over and done,
We're going home!
Yes as soon as the census is over and done,
We're going home!

I can't sleep a wink, can't hear myself think,
Commotion all through the town,
We shouldn't complain, we don't like to fuss,
But it's not good enough for us,
I can't sleep a wink, can't hear myself think,
We don't like to moan,
But as soon as the census is over and done,
We're going home!
Yes as soon as the census is over and done,
We're going home!

There's a cobweb or two, it really won't do
There's a spider in the bath,
We shouldn't complain, we don't like to fuss,
But it's not good enough for us,
There's a cobweb or two, it really won't do
We don't like to moan,
But as soon as the census is over and done,
We're going home!
Yes, as soon.....

Song 2 - Everything has to be perfect!

Everything has to be perfect,
Everything has to be planned,
Everything has to be perfect,
Everything has to be grand.
Everything has to be perfect,

Only the best will do,
Only the best, the very, very best,
For me and you!
Only the best, the very, very best,
For me and you!

Everything has to be perfect,
Everything has to be clean,
Everything has to be perfect,
Polished and pristine.

Everything has to be perfect,
Only the best will do,
Only the best, the very, very best,
For me and you!
Only the best, the very, very best,
For me and you!

Everything has to be perfect,
Everything has to be fine,
Everything has to be perfect,
Bethlehem will shine.

Everything has to be perfect,
Only the best will do,

Only the best, the very, very best..... (as before)

Song 3 - Can This Be True

Can this be true, I will have a baby?

Can this be true, I will have a Son?

He will be a king, he will be called Jesus,

He's the son of God

And I'm the chosen one.

Yes it is true, you will have a baby

Yes it is true, you will have a Son

He will be a king, he will be called Jesus,

He's the son of God

And you're the chosen one.

Yes it is true, you will have a baby

Yes it is true, you will have a Son

He will be a king, he will be called Jesus,

He's the son of God

And you're the chosen one.

Song 4 - Ooh Ooh singing the blues

I have walked many roads
And I have carried many loads,
It's no wonder, that I sang the blues.
I have walked 'cross dessert plains,
Dusty tracks and narrow lanes,
It's no wonder that I sang the blues.

Ooh ooh, singing the blues,
Ooh ooh I need new shoes,
Ooh ooh, singing the blues.

Joseph came to me one day
Donkey will you walk this way?
It's no wonder that I sang the blues
It's a long , long way to Bethlehem
I don't think I could do it again
It's no wonder that I sang the blues.

Ooh ooh, singing the blues,
Ooh ooh I need new shoes,
Ooh ooh, singing the blues.

There's this guy that you should meet,
Just a baby, oh so sweet,
He's made me stop singing the blues.
A baby king, a baby boy,
A sign of peace, a sign of joy,
He's made me stop singing the blues.

Clip clop, clippety clop
Clip clop, he's made me stop
Ooh ooh, singing the blues
One more time,
Clip clop, clippety clop
Clip clop, he's made me stop
Ooh ooh, singing the blues
Ooh ooh singing the blues

Song 5 - Uh-huh-oh-yeah

There's not much to do when you're a sheep, it's true,

There's not much to do when you're a sheep.

It was getting really boring,

The shepherds they were snoring,

There's not much to do when you're a sheep.

But the skies filled with light, uh-huh, oh yeah,

The skies filled with light it's true,

The skies filled with light, uh-huh, oh yeah,

And the angel said, "We need you!"

There's not much to do when you're a sheep, it's true,

There's not much to do when you're a sheep.

It was getting really boring,

The shepherds they were snoring,

There's not much to do when you're a sheep.

But the shepherds woke up, uh-huh, oh yeah,

The shepherds rubbed their sleepy eyes,

The shepherds woke up, uh-huh, oh yeah,

And the angel said, "We've a surprise!"

There's not much to do when you're a sheep, it's true,

There's not much to do when you're a sheep.

It was getting really boring,

The shepherds they were snoring,

There's not much to do when you're a sheep.

A baby king is born, uh-huh, oh yeah,

A baby king is born today,

A baby king is born, uh-huh, oh yeah,

And the angel said "Don't be afraid!"

There's not much to do when you're a sheep, it's true,

There's not much to do when you're a sheep.

It was getting really boring,

The shepherds they were snoring,

There's not much to do when you're a sheep.

Song 6 - When you're a star

Look how she twinkles, look how she dazzles,

It's easy when you're a star,

Look how she sparkles,

Look how she glitters and shines

Lighting the way.

Look how she twinkles, look how she dazzles,

It's easy when you're a star,

And everybody wants to see the star of Bethlehem shine.

Look how she twinkles, look how she dazzles,

It's easy when you're a star,

Look how she sparkles,

Look how she glitters and shines

Lighting the way.

Look how she twinkles, look how she dazzles,

It's easy when you're a star,

And everybody wants to see the star of Bethlehem shine.

I love a bit of glamour,

I love a bit of bling,

To see my name in lights,

It makes me want to sing.

I love a bit of glitz,

I love a bit of jazz,

I love to light the way with my razzmatazz!

Song 7 - As Wise As Can Possibly Be

Who would believe?
We've never seen
Anything quite like this before.
Look at the star,
See how it dazzles,
Leading us to a child that is born.

Wise men, wise men,
Three wise men are we,
Wise men, wise men,
As wise, as wise, as wise as can possibly be!

Who would suppose
We'd follow our nose
Across the desert to Bethlehem?
Look at the star,
See how it dazzles,
Leading us to the Saviour of all

Wise men, wise men,
Three wise men are we,
Wise men, wise men,
As wise, as wise, as wise as can possibly be!

Who would have thought
We would have brought
Frankincense, myrrh and gold?
Look at the star,
See how it dazzles,
Leading us to the King of the world.

Wise men, wise men,
Three wise men are we,
Wise men, wise men,
As wise, as wise, as wise as can possibly be!

Song 8 - Fit For A King!

We have found a King today, clap your hands and shout Hooray!

He is here, spread the word, Jesus Christ the King is born.

Celebrate and sing, hear the news we bring,

We have found a stable, fit for a king,

We have found a stable, fit for a king.

We have found a King today, clap your hands and shout Hooray!

Join with us, tell the word, Jesus Christ the King is born.

Celebrate and sing, hear the news we bring,

We have found a stable, fit for a king,

We have found a stable, fit for a king.

We have found a King today, clap your hands and shout Hooray!

He's a gift, sent from God, a sign of peace, a sign of love

Celebrate and sing, hear the news we bring,

We have found a stable, fit for a king,

We have found a stable, fit for a king.

We have found a stable, fit for a king,

We have found a stable, fit for a king.
